

BHI NETWORKING EVENT: *INTRODUCING NEW BHI RESEARCH PROJECTS*

30 APRIL 2025

4:00pm - 6:30pm ET, Roger Guindon Hall, Room 1421

also available virtually for those outside of Ottawa.

This is a great opportunity to learn first hand about the exciting new research in brain-heart health, build relationships, and interact with peers within the network.

Join us to:

- Gain insights into the latest BHI funded projects and their potential impact.
- Recognize and celebrate the funded projects.
- Build valuable relationships and interact with peers and BHI partners within the network.

Food and refreshments will be served.
